Overview: *In an effort to raise our community's health, across the state of Indiana, IU Health is adding the option to make a patient-consented referral to the Indiana Tobacco Quitline for their smoking cessation program.*

Two New Smoking Cessation Questions Added to Dependent Habits Page on CVR

Important Note: The new smoking cessation questions only apply to Indiana Residents.

When staff room a patient at the beginning of their visit, they will now be asking the patient two new questions as they complete the CVR (Clinic Visit Record).

Question 1 Are you motivated to quit in the next 1-2 months?

Possible answers: *Answer 1:* **Yes**

Answer 2: **No**

Question 2 Can we refer you to the Indiana Tobacco Quitline (ITQL) who will call you to assist in a quit plan?

By saying yes, you are giving us consent to share your contact information with the ITQL.

Possible answers: *Answer 1:* **Yes, Patient Consents**

Answer 2: **No, Patient Does Not Consent**

Answer 3: **Non-Indiana Resident, Home State Quitline Discussed**

Out-of-state Quitline information given to patient (see next page)

What Happens When a Patient Answers “Yes, Patient Consents” to Question 2

1. Upon completing and signing the CVR, the following patient information (as entered in Cerner) will be sent to the Indiana's Tobacco Quitline (ITQL).

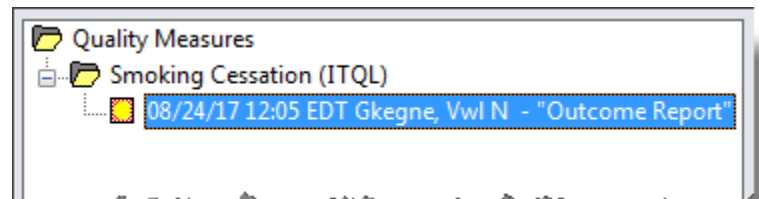

- **Name**
- **Phone Number**
- **Date of Birth**
- **Address**
- **Gender**
- **MRN**

2. The clinical staff completing the CVR with the patient will inform the provider of the patient’s enrollment in ITQL.

3. The Indiana's Tobacco Quitline (ITQL) will contact the patient and design a personalized smoking cessation plan.

4. ITQL will send an enrollment **Outcome Report** when the patient has been registered.

5. The **Outcome Report** will be saved to the **Quality Measures > Smoking Cessation (ITQL)** folder within **Clinical Notes**.
